WHOLESALE TRADE LIST

Forest Nursery and Seed Co

J. H. H. BOYD, Proprietor,
RFD 2, McMinnville, TENN.

October 20, 1912

TERMS OF SALE

Orders from strangers not financially rated should be accompanied by cash or good reference. Reasonable charges will be made for boxes or bales for trees, except when cash accompanies the order.

No charge for bags, boxes or barrels for seeds.

Seeds—5 pounds at ten pound rates; 25 pounds at 100 pound rates.

Seedlings—500 at 1000 rates; 5,000 at 10,000 rates.

Our responsibility ceases on delivery to transportation company and receipt taken. All orders to prepay stations should be accompanied by cash to cover freight. Add 8 cents for postage. Small orders from strangers should be accompanied by cash.

GUARANTY.—While we exercise the greatest care to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty, expressed or implied, and in case of any error on our part it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees.

California Privett

We have an immense stock of California Privett, 1, 2, and 3 year. We will offer special prices for Fall shipments in car lots, mixed cars, or large quantities boxed, and would be pleased to correspond with parties wanting large quantities.

Orders for Tree and Shrub Seeds should be sent in at once.

AMERICAN SYCAMORE

We have the finest stock of one year American Sycamore seedlings now growing probably in the U. S. Can offer from one to two million. Also several hundred thousand Green Ash, Catalpa, Speciosa (genuine) Blk Locust, Box Elder, R. Mulberry, Elms, both white and cork, Tulip Poplar, Soft Maple, Texas Umbrella, etc. In Shrubs we have a large stock of Altheas, both seedlings and from cuttings, single and double varieties.

Also a large stock of Spireas—Van Houti, Billardi, Fontoneysa; Duetzias, Forsythia Viridissima, Wegelias, Wisterias, Yuca, 1 and 2 yr. seedlings.

“ “ “ 1 to 2 ft	30	60	5 00	40 00

Most collected seedlings, such as Maples and some others, except large size, are crooked near ground and should be cut back to crown before transplanting. They grow up straight, smooth and much faster and quicker than when planted without cutting back. We cut back all seedlings to crown before transplanting.
